

Dr. Joanne L. Smikle

GOVERNANCE · STRATEGY · HUMAN CAPITAL · ORGANIZATIONAL CULTURE

This nationally recognized consultant brings keen analytical abilities and agile thinking to the boardroom. She is well-versed in multiple approaches to strategic planning, strategy implementation, and evaluation, and lends the ability to critically consider complex, multifaceted systems. She is comfortable raising difficult questions, sharing insights, and providing guidance that helps organizations maximize value to shareholders, employees, and customers. She has in-depth knowledge of human capital utilization, including employment best practices, executive development, organizational effectiveness, and talent management.

Consulting Experience

Dr. Smikle combines board service with three decades of consulting to private and public sector organizations as well as nonprofits, making her adept at addressing environmental, social, and governance issues. She ably

participates in identifying the varied paths available to reach an enterprise's ESG objectives without ignoring profit and growth. Having served on the governance committee of three boards, she contributes knowledge of best practices in this arena. Her sustained success as an entrepreneur provides the ability to deeply understand questions of viable innovation, scale, and emerging strategy. She leads organizations through transformational change, delivering results that positively impact alignment between strategy and operations, talent management, pipeline planning, and the creation of healthy organizational cultures.

Strategy Implementation & Evaluation

Comprehensive approaches to developing, executing, and evaluating enterprise strategy.

Human Capital Utilization

Succession planning, talent management, and employment best practices.

Executive & Leadership Development

Executive coaching that equips leaders with individualized, substantive tools for business challenges.

Organizational Development & Culture

Organizational effectiveness, culture, and change across sectors.

YEARS ADVISING ORGANIZATIONS

Civic Engagement

Dr. Smikle is actively engaged in her community. She provides ad hoc resource development to organizations serving the poor and underserved, and coordinates national food drives feeding low-income senior citizens through Food on the 15th. Through Alpha Kappa Alpha Sorority, Inc., she participates in activities advancing scholarship, social justice, poverty amelioration, and economic empowerment. She brings in-depth public policy experience from four years as a lobbyist for the League of Women Voters, serving among a group of twenty lobbyists presenting the League's nonpartisan positions to elected officials in the U.S. Senate and House of Representatives. Through the Executive Alliance, a selective membership organization accelerating the success of accomplished women, she has mentored mid-career women preparing for advancement.
